THE ANTIGUAN

Your Essential Guide to Antigua & Barbuda

Compliments of the Antigua & Barbuda Tourism Authority

THE ANTIGUAN

Your Essential Guide to Antigua & Barbuda

Since 1990, thousands of Antigua's visitors and residents have relied upon THE ANTIGUAN to tell them everything they need to know about our twin-island nation. From our hotels and beaches to our restaurants and beauty spots, our handy guide covers it all...

But THE ANTIGUAN doesn't just assist people when they're in Antigua. It also inspires them to visit us in the first place, showcasing our history, our events, our restaurants and the diversity of our hotels and villas. The guide has long been a vital marketing tool for the Antigua & Barbuda Tourism Authority, featured on their website, promoted at overseas tradeshows and read by potential visitors around the world.

And as THE ANTIGUAN is exclusively a digital publication, there's no limit to our worldwide circulation figures. Our dynamic flipbook style is eye-catching, our videos inspirational, and our information right up to date. We're also available to view on mobiles, tablets and desktops, and can be downloaded and shared at the click of a button...

- **Antigua's most established, popular and trusted information guide**
- **Stylish and easy to read with informative editorial and inspirational photography**
- **Our dynamic flipbook format is viewable on mobiles, tablets and desktops**
- **Promotional videos and links to our partner websites**
- **Regular social media posts offering valuable extra publicity**
- **International coverage thanks to our 35-year alliance with the Antigua & Barbuda Ministry of Tourism and the Tourism Authority**
- **High visibility throughout Antigua with our QR Code at the airport, as well as at hotels, restaurants, shops and tour companies**
