LE BLEU

Modern, understated and elegant, with its sleek contemporary design and generous living space, Le Bleu offers breathtaking vistas overlooking Cinnamon Reef to the island of St Martin.

Nestled within 2.5 acres of secluded grounds this exceptional beachfront villa provides all the amenities necessary for a truly indulgent retreat.

Le Bleu effortlessly combines refined luxury with an air of sophistication, establishing itself as the pinnacle of private villas on the island of Anguilla. Adorned in a palette of cool whites, natural linens and warm woods, it epitomises the essence of modern, chic living.

LHE recommends: The perfect private villa for families and friends, groups, weddings and celebrations.

Exquisitely crafted drawing inspiration from Ralph Lauren's Jamaican residence set over 2.5 acres of landscaped gardens with incredible ocean and island views.
