Domaine de la Palmeraie

HÔTEL-VILLAS MARTINIQUE

A DIFFERENT CONCEPT THAN A CLASSIC HOTEL
AND MUCH MORE THAN A SIMPLE VILLA.

The city of Le Diamant, is a coastal village on the southwest of the island bathed by energizing rough waters licking a 3 kilometers long white sandy shore.

In the middle of the bay stands the Diamond Rock, the town's emblem recalling history of ancient naval battles, while the village offers all modern necessities and convenience stores.

Le domaine de la Palmeraie is located less than a kilometer away from the city at the footstep of a hill overlooking the village.
